Monday – Friday   9am - 5pm

PROFILE

As a programmer, I can make websites, video games, and computer networks from scratch.

As a designer, it gave me many years of learning about how the field of my occupation works. I have used many applications at my disposal to create graphic arts like Adobe InDesign, Photoshop, XD, and Illustrator.

Using different programming languages, I publish websites on GitHub, Wix, WordPress, and also use programs like Unity, GameMaker, Maya, Unreal Engine to make and produce games.

COMPUTER SKILLS

Intermediate Knowledge of Adobe Photoshop, InDesign, Illustrator, Premiere Pro, and XD.

Understanding and Translating computer data, proficiency in cloud computing, IT, basic audio production.

Intermediate knowledge of creating and designing websites.

Intermediate skills in Microsoft Word, Excel, and PowerPoint.

Intermediate knowledge using Social Media.
